The Sustainable Nut Initiative

Nico Broersen

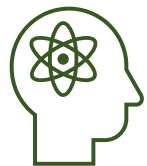

Global nut supply chains; challenges ahead

About SNI, our approach

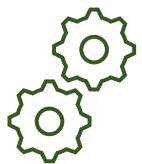

Engage a group of frontrunners that are committed to create fair and sustainable nut supply chains

Create and share relevant knowledge on supply chain development and sustainability

Stimulate pre-competitive collaboration and long term cooperation with supply chain partners and competitors

Create and share tools to support participants in their sustainability efforts

Development steps of SNI

The way forward together

- Insights in the most stringent risks in the sector

- With SNI support: participants develop plans to work on issues

- SNI develops tools to support participants in their journey towards sustainable supply chains.
- Concrete goals for SNI participants will be formulated

Join (y)our SNI Platform for collaboration!

- From producer organizations to retail
- Together we can do more
- We all benefit
